Reference 1 out of 5:

Look at the following three-part statement:

Diego Velazquez

Date of Birth

June 6th, 1599

And look at the following reference url and some additional information:

reference url: <http://data.bnf.fr/ark:/12148/cb11935168k>stated in: [BnF authorities](#)

Bibliothèque nationale de France ID: 11935168k

retrieved in: 10 October 2015

Is the three-part statement present in the reference url?

☐ Yes ☐ No

In case of yes, please rate in the following scale how easy it was to locate:

Almost impossible to locate Obvious to locate

In case of no, please select one of the reasons why:

- ☐ The page was not available (for example, 404 error)
- ☐ My browser or antivirus stopped me, claiming the page presented security risks
- ☐ I was required to provide a login and password to access the page
- ☐ I was required to pay for access to the page
- ☐ I feel like only people familiar with a specific domain would understand the information in the page
- ☐ The page was displayed normally, the same url as in the task, but the information was not there or the value was different than shown here

Reference 1 out of 5:

Look at the following reference url and some additional information:

reference url: <http://data.bnf.fr/>

Please select the type of author that publishes information to this website:

- ☐ Individual (One individual publishes and their name is visible in the content)
- ☒ Organization (An organization publishes and its name is visible in the content)
- ☐ Collective (A collective of individuals publishes and the name of the individual is not visible, or only a handle/nickname can be seen)

Please select the type of publisher that this site most closely classifies as:

- ☒ Academic / Scientific
- ☐ Commercial / Political / Religious / Cultural
- ☐ Government Agencies
- ☐ News and Media outlets
- ☐ Self published sources and blogs

Please select the sub-type of publisher that this site most closely classifies as:

- ☒ Academic and research institutions (e.g. universities and research centres, but not museums and libraries)
- ☐ Academic publishers
- ☐ Other academic organisations
